

Evaluation of the fifth mobility of Erasmus+ project „Call of Poseidon“

Fifth mobility of Erasmus+ project „Call of Poseidon“ was in Sicily, Italia from 5th to 10th of March 2023. The name of the mobility was „Hydrotheraphy“.

In the proces of evaluation participated students, parents and teachers of all the schools in the project: IOS LOS Montecillos (Coin, Spain), Eduardo De Amicis (Tremestieri Etneo, Catania, Italia), British Junior (Eskilstuna, Sweden), OŠ Meterize (Šibenik, Croatia).

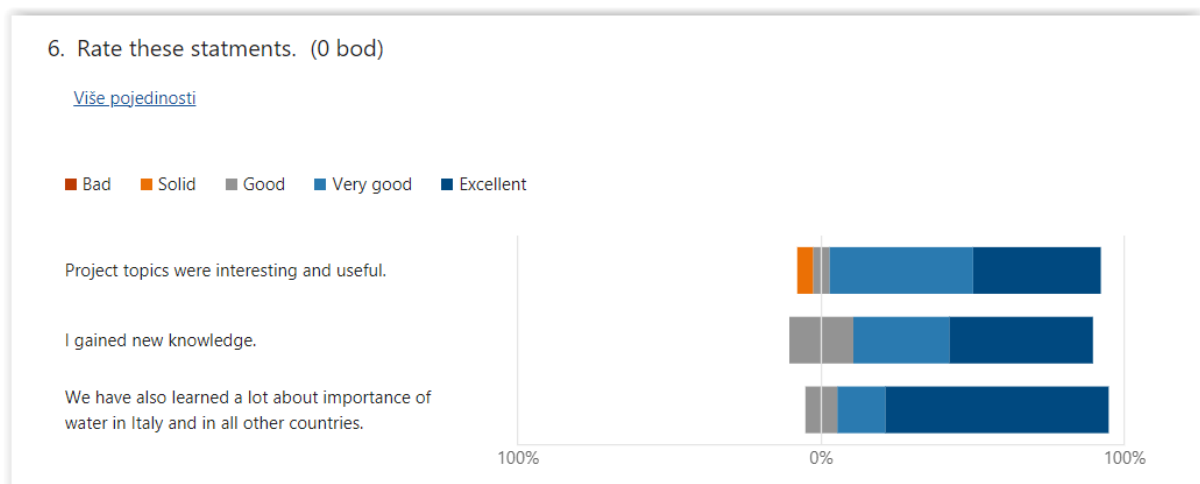

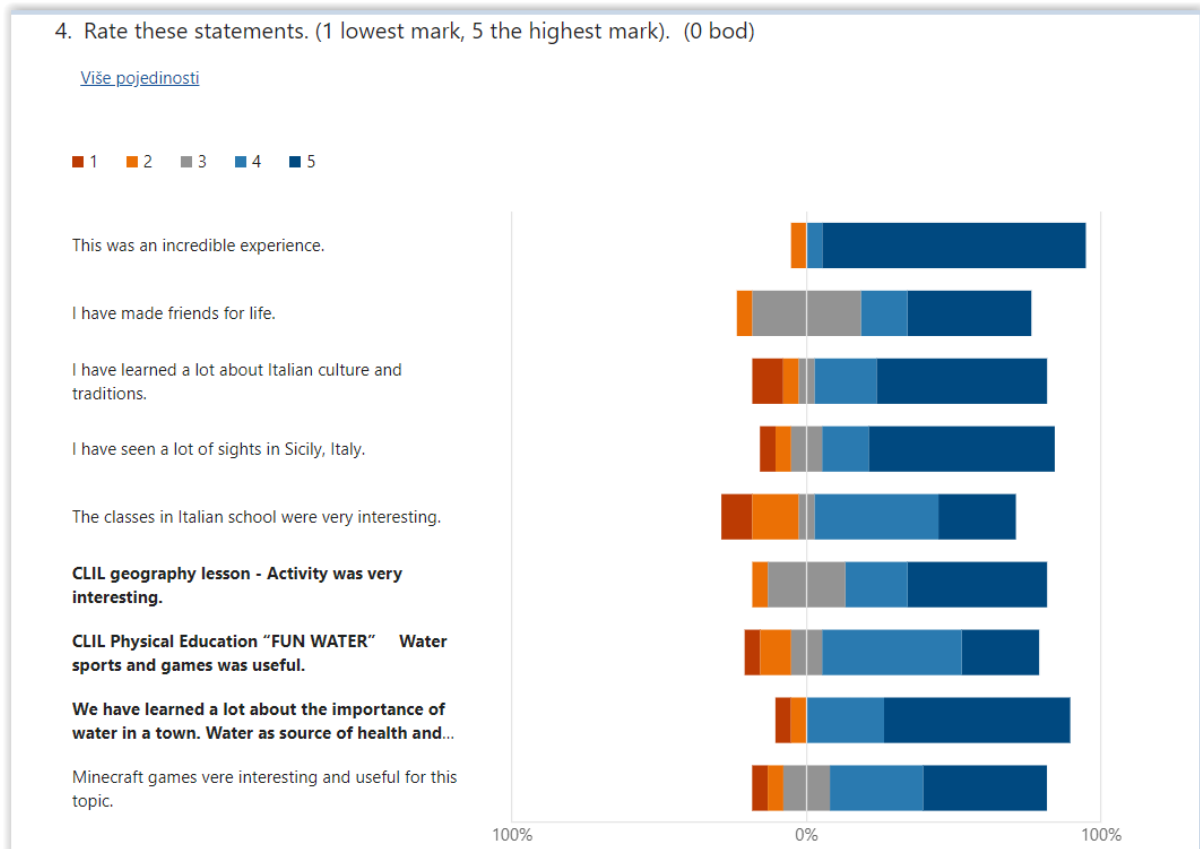

Teacher evaluation

Teachers from all 4 countries have filled in the evaluation form. They sayed all the acitivities had been done.

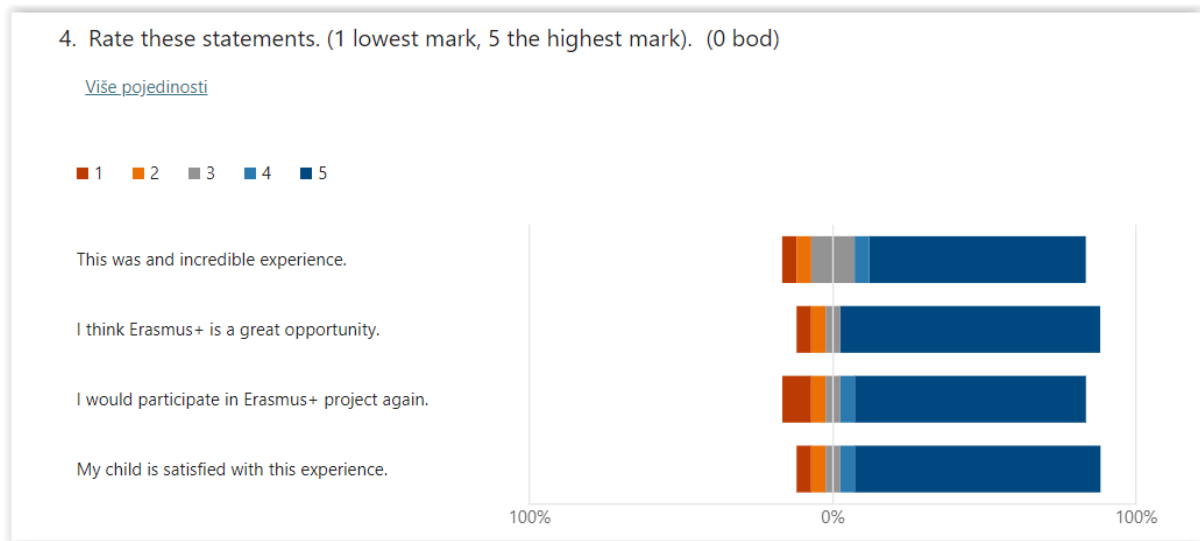

Students evaluation

Students agree that they had wonderful experience, that they have learned a lot.

Parents evaluation

Amazing experience, growth for the children – sayed parents after the mobility.

The results of the evaluation are a valuable indicator for the all schools that are in this project for further verification project activities, but also for the organization of the educational process and extracurricular activities.
